GENERAL PRINCIPLES USED TO REVITALIZE THE UTAH CHAPTER

As Chapter President

Study the ACS Chapter Guidebook

Provide direction but be willing to adapt

Involve people who are self motivated

Involve as many people as possible

Encourage self creativity and provide support

Personal contact

As a group:

Complete a critical assessment of needs

Establish short term and long term goals

Agree on assignments to achieve goals and set dates for completion

Expect accountability for assignments and review progress frequently

OBSTACLES

Another meeting?

Another society to pay membership dues?

How to involve multiple specialties?

WORK

FAMILY

HUMANITARIAN WORK

Be aware of the obstacles but do
not become lost in them!

NEEDS OF THE MEMBERSHIP?

Concerns

#1 - Legal issues

Tort reform/ malpractice

Requirements for medical interpreters

Medicare (access to care issues)

Patient care – education (MD's and public)

Outcomes research

A photograph of a soccer goal on a green field. The goal is white with a white net. The word "GOALS" is written in large, bold, yellow letters across the center of the net. The background shows trees and a clear sky.

GOALS

Short term

Long term

SHORT TERM GOALS

ORGANIZATIONAL

Assess bank accounts, new signature cards

Update bylaws

Identify membership/ dues assessments

Establish executive secretary

Articles of incorporation (501.c.6)

Committees to develop goals

Newsletter to all FACS

Send representatives to “Chapter Officers and Young Surgeons Leadership Conference”

LONG TERM GOALS

Establish full Chapter Council (with geographic and specialty representation)

Organize committees fully

CME meeting once per year (Program/ education committee)

Membership drives (Membership committee)

Establish active Advocacy and Health Policy Committee

All 6 ACS delegates to the UMA to serve on committee

Submit resolution to UMA House of Delegates in Fall

Review upcoming state legislation of concern to FACS and provide appropriate input

Nominating committee

Explore ways to support COT and COC chairpersons

Resident trauma papers

Have we revitalized the Utah
Chapter of the American College
of Surgeons?

Embarked on new pathways!

Overcome Obstacles!

Reaching for higher goals!
