

STATE CHAIR OUTSTANDING PERFORMANCE AWARD 2010

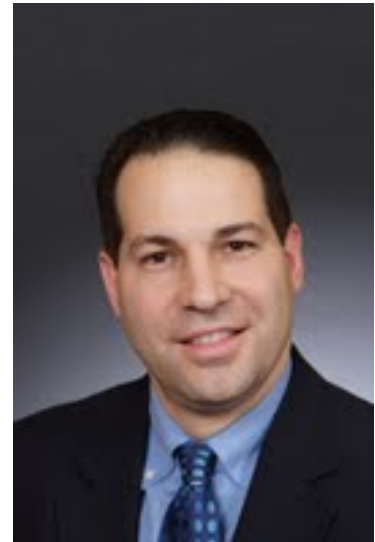

Please join the Commission on Cancer in congratulating three State Chairs for their outstanding performance in 2010. The State Chair Outstanding Performance Award recognizes individuals who exhibit outstanding leadership, innovation, and make significant contributions to the improvement of cancer care in their state or region. These individuals are collaborators, innovators, and experts working with cancer programs, professionals, and state coalitions to improve the quality of cancer care. This honor is awarded based on excellence in service on behalf of the Commission on Cancer and the Committee on Cancer Liaison.
