

## Registry Operations Workgroup

Deborah Dickerson, RHIT, CTR, Chair  
Susan Van Loon, RN, CTR, Vice Chair  
Debbie Etheridge, CTR, Staff leader

### Purpose:

To develop new standards or criteria that reflect the best practices for cancer registry operation and management, data utilization, and data exchange.

To review, revise, and update current standards that focus on registry operations.

To identify existing standards relating to cancer registry operation that should become eligibility criteria.

### Areas to address:

3.1 Registry staffing

3.3 Abstracting

3.4, 3.5 Follow-up

All requirements in the registry operations section of Chapter 3, *Cancer Program Standards 2009, Revised Edition*
