Because you are applying for Resident membership, we believe that you would be interested in reading the Fellowship Pledge. Applicants for Fellowship in the College formally subscribe to this pledge as part of their application.

FELLOWSHIP PLEDGE

Recognizing that the American College of Surgeons seeks to exemplify and develop the highest traditions of our ancient profession, I hereby pledge myself, as a condition of Fellowship in the College, to live in strict accordance with the College's principles and regulations.

I pledge to pursue the practice of surgery with honesty and to place the welfare and the rights of my patient above all else. I promise to deal with each patient as I would wish to be dealt with if I was in the patient's position and I will respect the patient's autonomy and individuality.

I further pledge to affirm and support the social contract of the surgical profession with my community and society.

I will take no part in any arrangement or improper financial dealings that induce referral, treatment, or withholding of treatment for reason other than the patient's welfare.

Upon my honor, I declare that I will advance my knowledge and skills, will respect my colleagues, and will seek their counsel when in doubt about my own abilities. In turn, I will willingly help my colleagues when requested.

I recognize the interdependency of all health care professionals and will treat each with respect and consideration.

Finally, by my Fellowship in the American College of Surgeons, I solemnly pledge to abide by the Code of Professional Conduct and to cooperate in advancing the art and science of surgery.

My check for \$20.00 is enclosed. (Make check payable in U.S. currency only to the American College of Surgeons.)
