

NTDB Bibliography

The following Bibliography includes citations found through PubMed searches, as well as those supplied by NTDB researchers in response to follow up surveys and emails. The list below includes publications, articles in press, and presentations in which NTDB is mentioned. This list is not exhaustive. If you have an NTDB related publication that is not listed below please provide the citation to Chrystal Price (cprice@facs.org) or Melanie Neal (mneal@facs.org).
