Fellowship Pledge

Recognizing that the American College of Surgeons seeks to exemplify and develop the highest traditions of our ancient profession, I hereby pledge myself, as a condition of Fellowship in the College, to live in strict accordance with its principles and regulations.

I pledge myself to pursue the practice of surgery with honesty and to place the welfare and the rights of my patient above all else. I promise to deal with each patient as I would wish to be dealt with if I were in the patient's position, and I will set my fees commensurate with the services rendered. I will take no part in any arrangement, such as fee splitting or itinerant surgery, which induces referral or treatment for reason other than the patient's best welfare.

Upon my honor, I declare that I will advance my knowledge and skills, will respect my colleagues, and will seek their counsel when in doubt about my own abilities. In turn, I will willingly help my colleagues when requested.

Finally, I solemnly pledge myself to cooperate in advancing and extending the art and science of surgery by my Fellowship in the American College of Surgeons.
