AMERICAN COLLEGE OF SURGEONS
DIVISION OF EDUCATION

Blended Surgical Education and Training for Life®

Medical Student Program

Meet

prominent surgeons committed to the education of medical students

Interact

with practicing surgeons from a variety of specialties

Network

with program directors, residents, and other medical students interested in surgery

“The speakers were very approachable and eager to share their information and experiences with us.”

THE THREE-DAY PROGRAM WILL FEATURE:

- Exploring Surgical Specialties, Practice Settings, and Other Topics
- Teaching the Resident Teacher-to-Be
- Work-Life Integration during Residency
- Mastering the Surgical Residency Interview
- Mock Interview Practice
- Decision Making on the Path to Residency and Beyond
- Residency Application Process: Tips and Tricks from the Experts
- Developing Your Personal Statement

“I liked learning about what it’s ‘really like’ working in surgery.”

Medical Student Program

“The talks were both interesting and relevant to us as medical students and future medical professionals.”

MEDICAL STUDENT PROGRAM SCHEDULE

Medical Student Program—Session I
Sunday, October 27, 2019, 11:30 am–6:00 pm (Lunch will be provided.)
Medical Student Program—Session II
Monday, October 28, 2019, 1:00–6:00 pm
Medical Student Program—Session III
Tuesday, October 29, 2019, 1:00–6:00 pm

Programming is varied from day to day, and students are welcome to attend all or selected portions of the three-day program. Students must register for each day they wish to attend.

ACS MEDICAL STUDENT PROGRAM ePOSTER SESSION

Medical students attending the Medical Student Program are invited to attend the Medical Student Program ePoster Session on **Sunday, October 27**, during which 48 students will present their research. Resident and surgeon volunteers will critique these presentations, and winners will be recognized during Tuesday’s session on October 29.

CLINICAL CONGRESS 2019

The Best Surgical Education. All in One Place.

October 27–31

Moscone Convention Center | San Francisco, CA

WHAT IS THE ACS CLINICAL CONGRESS?

The American College of Surgeons Clinical Congress is a five-day meeting held each year in October, featuring hundreds of hours of educational sessions and activities for general and specialty surgeons. The meeting is attended by approximately **8,000** surgeons and **12,000** participants overall.

In addition to participating in the Medical Student Program, students are invited to attend Clinical Congress activities such as Named Lectures, Panel Sessions, Video-Based Education Sessions, Scientific Forum Oral and Poster Presentations, and Town Hall Sessions. In addition to clinical topics in every discipline, session titles of special interest include:

- Spectacular Cases from Residents
- Surgical Jeopardy
- Transition from Medical School to Residency:
Are We Preparing Our Medical Students Adequately?
- LinkedIn, Doximity, ResearchGate, Twitter, and Facebook:
What Tools and How to Use Them for Your Professional Development
- Global Surgery and Opportunities for the Young Surgeon:
How Can I Get Involved?
