### Continuous Certification General Information

- ABCRS Continuous Certification is an evolving process; the requirements will be modified as new learning and assessment tools are developed. ABCRS Certlink Part I, II and IV requirements run in five-year cycles. Part III of ABCRS Certlink requires a secure examination at 5-year intervals to maintain their certification. A Certlink fee is also required to be paid by December 31 annually.

  - **Part I**  Licensure and Professional Standing
  - **Part II**  Lifelong Learning and Self-Assessment
  - **Part III**  Cognitive Expertise
  - **Part IV**  Practice Performance Assessment
