

AMERICAN COLLEGE OF SURGEONS | DIVISION OF EDUCATION

ALASKA STATE-MANDATED CME CONTENT REQUIREMENTS

UPDATED May 2019

<p>CME Requirements At-A-Glance</p>	<p>Renewal cycle: Biennial – Licenses expire December 31 of even-numbered years</p> <p>Minimum CMEs: 50 (25 CME hours each year of the renewal cycle)</p> <p>State-mandated CME content</p> <ul style="list-style-type: none"> • 2 hours of CME in Opioids, Pain Management, and Addiction
<p>State-Mandated CME Content Detail</p>	<p>For license renewals (unless you do not hold a valid DEA registration), at least two of the total hours of CME that are required to qualify for renewal must be specific to pain management and opioid use and addiction. Courses must be category 1 of AMA-approved education, or Category 1 or 2 of AOA-approved education.</p> <p>To fully document compliance with the opioid education requirement, the title/description of the program on your Certificate of Completion should specifically reference all three areas of the required subject matter: pain management, opioid use, addiction.</p>
<p>Notes</p>	<p>All Alaska health care practitioners who have a DEA registration and prescribe schedule II, III, and IV controlled substances must register with the PDMP. You will not be able to complete the renewal process until you have complied with the mandatory registration process.</p>
<p>Accepted CME</p>	<p>Accepted CME</p>
