Oppose Optometrist Scope of Practice Overreach

Take Action Today!

A bill to expand the scope of practice of optometrists was recently introduced in the Maryland House and Senate. This legislation, SB 611/HB 807, would permit optometrist to perform scalpel and laser surgery, remove foreign bodies from the eye with no regard to depth or centralized location in addition to other procedures without being held to the same professional education and training standards as physicians.

The legislation is scheduled to be heard by the Education, Health and Environmental Affairs Committee in the Senate, and the Health and Government Operations Committee in the House. Please take a moment to contact your Senator and Delegate to urge them to oppose this legislation TODAY. It’s very important to take action now to stop this legislation.

If you have any questions, please contact Christopher Johnson at cjohnson@facs.org.

Why Advocate

!!!! MEMBERSHIP !!!!!

- Advocacy is a valuable member benefit
- Advocacy impacts all members
- Advocacy programs build member engagement & develop future leaders
How to Engage in Advocacy

• Work with ACS State Affairs staff
• Collaborate with state medical society and state specialty physician associations
• Develop a chapter legislative committee and advocacy agenda
• Host a lobby day at the state capitol
Develop a Legislative Agenda

Chapter Leadership with ACS Staff support:

• Identify policy problems or opportunities in the state
• Evaluate political environment
• Select policy focus -- ACS priority, Med Society priority, or active bill
Advocate Your Agenda

• Develop a Strategy
  – Identify key legislators
    • Bill sponsor, committees, influential legislators
  – Identify stakeholder supporters/opposition

• Communicate Legislative Agenda
  – Chapter members
  – Key legislators
  – Supportive stakeholder groups
Advocate Your Agenda

• Schedule Lobby Day
  – Chapter only event; or
  – In conjunction with other associations

• Direct Advocacy
  – Meet with legislators
  – Testify at committee
  – Hire a lobbyist
  – Activate Grassroots
Measure Your Success

Bill Passage or Defeat is not the only measurement of success

• How many members engaged in the process?
• Attended the lobby day?
• Contacted their legislator?
• Did the press mention the chapter & chapter leaders?
• Did legislators acknowledge the chapter?

Active member engagement equals success
Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it’s the only thing that ever has.
