Chapter Officer Leadership Program

Creating a Dynamic Chapter Meeting

Arkansas Chapter

Charles D. Mabry MD FACS
Over a Century of Change...
Why do I need to take time away from what I am doing to attend the ACS Chapter meeting?
ACS Arkansas Chapter

• What hasn’t worked
• What has worked
• Areas we are now exploring
What Hasn’t Worked
What Hasn’t Worked

• Moving the meeting location to various parts of the state every year
• Alternating spring and fall annual meetings
• Having a large social function (golf, tennis, lake resorts, etc.) associated with the meeting
• Multi-day meetings with a broad educational scope, multi-specialty meetings
What Has Worked
What Has Worked

• Keeping the meeting location in a central part of the state and at the same time of the year
• Concise, jam-packed educational meetings
• Combining Chapter meeting with an annual state trauma update
Arkansas Trauma System- 2009 to 2019

- In-state trauma centers & four border state trauma centers
  - Level I – IV centers
- Trauma Advisory Council
- Trauma Regional Advisory Councils (TRACS)
- Quality Improvement Plan and Committees
  - Trauma Centers and TRACS monitor trauma care and develop performance improvement plans for areas identified
  - TRAC/QI committee reviews problems occurring between TRACS or at state level
Arkansas Trauma System - 2009 to 2019

- Arkansas Trauma Call Center (ATCC):
  - Uniform Field Triage Scheme,
  - Facility Dashboard,
  - Rapid Acceptance Protocol
- Trauma Band ID #
  - Keeps single identifying number from field to rehabilitation
- Arkansas Trauma Registry (ATR)
- Trauma Image Repository (TIR)

- Arkansas Trauma Society - provides trauma education for state (ATLS, TNCC, etc.)
American College of Surgeons- Arkansas Chapter

Arkansas Trauma Society

Areas We Are Now Exploring

- Upgrading website to offer more functionality and business processes
  - Registration, CME tracking from phone, tablet, computer
  - Meeting app, expanded social media
  - RAS and YFA support
  - Resident paper competition
ACS Arkansas Chapter Meeting

• Adding Surgical Rodeo & Trauma Rodeo to Annual Chapter Meeting / Trauma update
  – Include robot, laparoscopic skills
  – Chest tube, intubation, central line insertion, etc.
  – Allows medical students and ED providers to participate
Areas We Are Now Exploring

• State Lobby Day
  – Expands Stop the Bleed efforts
  – Improved trauma system funding

• Arkansas Trauma Center Update Course
  – Allows us to draw in Fellows (NS, Ortho, etc.) and Associates for “trauma refresher” with an ACS Chapter sponsored activity-specific to our state trauma system
State of Arkansas
92nd General Assembly
Regular Session, 2019

By: Representative J. Mayberry
By: Senator Bledsoe

A Bill

HOUSE BILL 1014

For An Act To Be Entitled
AN ACT TO REQUIRE EACH PUBLIC SCHOOL TO PROVIDE BLEEDING CONTROL TRAINING TO EACH STUDENT IN GRADES NINE THROUGH TWELVE (9-12) BEFORE THE STUDENT GRADUATES FROM HIGH SCHOOL; AND FOR OTHER PURPOSES.

Subtitle
TO REQUIRE EACH PUBLIC SCHOOL TO PROVIDE BLEEDING CONTROL TRAINING TO EACH STUDENT IN GRADES NINE THROUGH TWELVE (9-12) BEFORE THE STUDENT GRADUATES FROM HIGH SCHOOL.
CHAPTER 1

HOW CAN WE USE THE ARKANSAS TRAUMA SYSTEM TO IMPROVE CARE OF OUR TRAUMA PATIENTS?
• Short, to the point meetings
• Regular location / dates
• Combine Chapter with other meetings
• Interactive content
• Incorporate young surgeons
• Advocacy is natural add-on to Chapter activities
