Realize the potential of your profession

AMERICAN COLLEGE OF SURGEONS
The College has led the way in improving quality in hospitals for more than a century.

ACS is your one-stop shop for patient resources on operative procedures.

We have 10 accreditation programs ensuring quality in patient care.
Because your career matters.

JOIN THE MORE THAN 600 AFFILIATE MEMBERS representing clinical staff and allied health professionals who work in American College of Surgeons (ACS) Quality Programs, departments of surgery, and the operating room, including those individuals who participate in research, provide surgical education and training, and who work for a medical association affiliated with the field of surgery.

Membership will expand your knowledge of the surgical profession and help you stay informed about what’s happening in the field of surgery.
Resources to support patients and the practice

**Patient Resources.** The ACS Surgical Patient Education Program website contains educational information and materials to help you help your patients and their families become informed about their operation and surgical care. Much of the information is available for free download or for a small fee and is also translated into other languages.

**Coding Workshops.** Affiliate Members enjoy discounted registration rates to attend CPT coding workshops, including Mastering General Surgery CPT Coding, Supercharge Your Reimbursement Skills, and Intensive Trauma and Critical Care Coding.

**Quality Payment Program Resource Center.** This online resource center was created to help you navigate the Medicare physician payment system. Find videos, tips, and tools to minimize Quality Payment Program stress!

**Regulatory Resource Center.** Find online resources to help you navigate a variety of regulatory issues and requirements.

**Membership Benefits**

- **EARN CE CREDIT**
- **ENGAGE THROUGH THE ACS COMMUNITIES**
- **GAIN KNOWLEDGE AND NEWS ABOUT THE COLLEGE THROUGH JACS, THE BULLETIN, AND ACS NEWSSCOPE**
- **STAY CURRENT CLINICALLY**

“Joining the College is like having a virtual family of a global proportion. It nourishes you with knowledge and experiences. It also gives you the opportunity to share your time and talents, but more importantly, it makes you feel connected wherever you go.”

—Ferdinand Galvan, RN, MD, Canada
Education

ACS Clinical Congress. This meeting offers high-quality educational programs designed to improve the health and safety of surgical patients. Take advantage of all the Clinical Congress has to offer, including a vast array of educational opportunities such as Named Lectures, Panel Sessions, Postgraduate Courses, abstract-driven Scientific Forum Sessions, Town Hall Meetings, Video-Based Education Sessions, Meet-the-Expert Sessions, and general and specialty sessions designed especially for you. A reduced registration fee is offered to Affiliate Members.

Ensuring quality

Those who support quality programs should access the ACS Optimal Resources for Surgical Quality and Safety manual to understand the key concepts in quality, safety, and reliability, and explore the essential elements that all hospitals should have in place to ensure the delivery of patient-centered care. Leading the way in quality improvement programs, the ACS has programs for cancer and trauma care, breast care, bariatric surgical care, children’s surgical care, geriatric surgery, and overall surgical quality improvement. Visit the ACS website, facs.org, to learn about the different ACS Quality Programs and what they can do for you, your hospital, and your patients.

“The College provides an educational forum for surgical practitioners to collaborate on improving the delivery of surgical care.”

—Jorge A. Ferrer, LSA, CSA, Houston, TX
Opportunities for engagement

Join your local ACS Chapter. Chapters work in conjunction with the College to provide outstanding local networking and educational opportunities, along with professional development resources through chapter meetings.
