ACS/Clinical Congress 2024

October 19-22, 2024
Moscone Center | San Francisco
Expected Number of Attendees: 12,000
(7,000–8,000 professional MDs)

Why Invest in Clinical Congress?

It's simple. All of the decision-makers you want to meet are here under one roof.

As one of the most extensive surgical meetings with an audience of nearly 80% general surgeons, Clinical Congress is a customer-rich marketplace for companies demonstrating new products, services, and innovative solutions that improve patient care and help drive health systems forward. Surgeons are ready to see and experience proven new concepts – they're prepared to learn from you!

Industry Represented:

- Medical Devices and Instruments
- Medical Technology
- Risk & Compliance Management Solutions
- Surgical Equipment
- Education & Training
- Surgical Technologies & Solutions

Exhibitor Packages & Pricing

- Standard Corner: \$43.50/s.f.
- Standard Inline: \$42.50/s.f.
- Standard 400+ s.f.: \$40.50/s.f.
- Standard Non-Profit: \$22/s.f.

Carpeting is included in the rate for all booths up to 399 sq ft.

What's Included

- All booths up to 399 sq ft include basic carpeting, 3' side rail and 8' back wall drape, and an ID sign with the booth number and company name.
- Four exhibit staff badges per 10'x10' are complimentary; extra badges are \$50.

Important Information for New Exhibitors

One of the reasons Clinical Congress is such a success for exhibitors is that each company's products and services are directly related to surgical practice. The Clinical Congress Exhibits Committee reviews each application to help ensure that attendees have a quality experience in the Exhibit Hall. Only companies displaying products directly related to patient care and safety or the practice of surgery are accepted. If your application is not accepted, your deposit will be returned. Products deemed unrelated to Clinical Congress include but are not limited to skincare lotions or ointments, massagers or nerve stimulators, and mobile phone accessories.

If you have any questions about whether your product is acceptable, please get in touch with Christine Carchia at ccarchia@tradeshowlogic.com. If you know your product is related to patient care and safety or the practice of surgery, create your account to reserve a booth.
