### Dear Exhibitor,

On behalf of the American College of Surgeons (ACS) Division of Education, Residents as Teachers and Leaders Faculty and Staff, we cordially invite you to join us for the welcome reception at the 20<sup>th</sup> RATL Course held at the ACS Headquarters in Chicago, IL on April 17, 2026. The exhibits will be located on the 28<sup>th</sup> Floor directly across from the course conference room.

The ACS is a non-profit organization whose mission is dedicated to improving the care of the surgical patient and safeguarding standards of care in an optimal and ethical practice environment. To learn more about the ACS, visit our website: [About ACS | ACS](#)

The goal of this course is to help surgery residents develop some of the essential nonclinical skills that will be critical to their success as senior-level residents and practicing surgeons. The course faculty are nationally renowned clinical and educational professionals who will provide an interactive learning environment. Residents will learn to lead a team more effectively, resolve conflict, be better teachers, give constructive feedback, and apply these skills during and after residency. The number of participants is limited to allow ample interaction with faculty and to facilitate networking with other attendees. This course is targeted for mid- to senior-level residents, but all trainees who are currently in a surgical residency program are welcome to attend.

## **Exhibit Rules and Regulations**

Upon receipt of the Exhibit Space Application, the ACS assumes that you have read the terms outlined below and agree to abide by them. The application is subject to acceptance by the ACS. Written confirmation will be sent upon receipt of the application and full payment.

### **Eligibility to Exhibit**

The meeting is intended for companies related to the profession, including those involved in providing education, supplies, and services to the medical profession, pharmaceuticals, instrumentation, practice management, publications, computer software, and so on. The ACS reserves the right to determine the eligibility of any applicant as an exhibitor according to their Principles of Governing Corporate Support. With a limited number of exhibitors permitted, the committee reserves the right to deny exhibitors after the limit is reached.

All products must be directly related to the practice of surgery or medicine and approved by the ACS in their sole and absolute discretion. Exhibitors shall not exhibit products or services other than those described in the application and approved by ACS. A “investigational device or drug” product must be clearly marked as such. Exhibitors must ensure that with respect to all such devices or drugs, only permissible preapproved dissemination of scientific and educational information is provided at the exhibit, and that appropriate disclosure and cautionary notices are included with the devices or drugs. An exhibitor shall not in any manner directly or indirectly imply that the ACS’s endorsement or approval of the exhibitor’s product or service has been given merely because the ACS approved such product or service for display as an exhibit. Applications deemed ineligible will be returned with full payment.

### **Cancellation and Refunds**

Written notification of a space cancellation must be received by the ACS on or before March 15, 2026, to be eligible for a refund. A \$100 service charge will be assessed for each canceled space. No refunds will be given after March 15, 2026.

### **Limitation of Liability**

In no event shall the exhibit facility, the ACS, and their owners, managers, officers or directors, agents, employees, independent contractors, subsidiaries, and affiliates (collectively “the ACS parties”) be liable to the Exhibitor or any third party hired by or otherwise engaged by the Exhibitor for any lost profits or any other indirect, special, punitive, exemplary, incidental, or consequential damages, including attorneys’ fees and costs, arising out of this application and agreement or connected in any way with the use of or inability to use the services outlined in this application and agreement or for any claim by the Exhibitor, even if any of the ACS parties have been advised, are on notice, and/or should have been aware of the possibility of such damages. The exhibitor agrees that the ACS parties’ sole and maximum liability to the exhibitor, regardless of the circumstances, shall be the refund of the exhibit booth fee. The exhibitor agrees to indemnify and defend the ACS parties from any claims brought by a third party hired by or engaged by the Exhibitor for any amount beyond the exhibit booth fee. Further, the Exhibitor agrees to pay all attorneys’ fees and costs incurred by

the ACS parties arising from or in any way related to this application and exhibit. The Exhibitor shall be solely responsible for its attorney's fees and costs.

### **Indemnification**

Exhibitors shall be fully responsible for any claims, liabilities, losses, damages, or expenses of whatever kind and nature relating to or arising from an injury to any person or any loss of or damage to property, where such injury, loss, or damage is an incident to, arises out of or is in any way connected with the Exhibitors' participation in the Exhibition. Exhibitors agree to indemnify, defend, save, and hold harmless the ACS and its officers, directors, agents, members, and employees, and each of them, from and against any and all claims, liabilities, losses, damages, costs, and expenses (including attorneys' fees and expenses) with respect to any breach of the foregoing representations and warranties or negligence, gross negligence or willful misconduct of Exhibitor, its employees, agents, or contractors. The terms of this provision shall survive the termination or expiration of these Policies and Procedures. The ACS owns and sponsors this meeting to promote advances in surgery and other areas of surgical science. The information presented through the programs and exhibits is not verified or endorsed by the ACS. Exhibitors and their presenters are solely responsible for content.

### **Exhibit Hours**

The fastening of materials to booth drapery, building walls, ceilings, floors, carpeting, or columns is expressly prohibited.

### **Use of Space**

This Agreement is binding on the parties, their successors, and assigns, provided that no party may assign this Agreement without the prior written consent of the other party.

Either party's waiver of or failure to exercise any right provided for in this Agreement shall not be deemed a waiver of any further or future right under this Agreement. All notices required or permitted hereunder shall be in writing and sent to the parties at the addresses provided by the parties. This Agreement shall be governed by and interpreted in accordance with the laws of the State of Illinois.
