

# 2026 ACS Surgical Simulation Summit

MARCH 12-13 / CHICAGO, IL

#ACSsim

## **Poster Presenter Guidelines and Instructions**

Thank you for your participation in the 2026 ACS Surgical Simulation Summit! All poster presenters must [register for the in-person meeting](#) and attend the “Meet the Authors” Poster Session on Thursday, March 12 from 3:00 – 4:00 pm CT to share your research and answer attendee questions. Please find some important details below about your poster.

### **Preparing Your Poster/ Poster Dimensions**

Posters are to be **44” tall by 30” wide**. Poster display boards will be single sided, with three (3) posters displayed per board; see image below. Posters are taller than they are wide to fit the boards. If your poster is sized any differently, we will not be able to accommodate it.

### **Location**

Posters will be displayed in the lobby area surrounding Zurich DEFG. Unlike the image above, the boards will be pushed against the walls so there will not be any open space behind the display boards.

### **Poster Setup**

Posters must be displayed by the start of the Thursday morning break (9:30 am CT). Poster tube storage is located at the Summit Registration Desk. Be sure to clearly label your poster tube. ACS is not responsible for any lost or stolen items.

**Assigned Space**

Poster numbers are posted on each display board. If you do not know your assigned poster number, ask for assistance at the Summit Registration Desk, located near Zurich DEFG. Upon arrival, please use the push pins on the display board to hang your poster.

**Poster Session**

During the Poster Session, please be stationed at your poster to facilitate discussion and answer questions from attendees. Posters will be divided into groups according to topic to aid attendees when navigating the poster area.

**Poster Removal**

If presenters cannot stay for the entire meeting, posters may be taken down at any time after the Poster Session. Otherwise, they may be displayed until the meeting ends on Friday. Any posters that are not removed by Friday, March 13 at 4:30 pm CT will be discarded.
