

**American College of Surgeons
Clinical Congress 2025
October 4 – 7, 2025
Chicago, IL**

Disclosures

In accordance with the ACCME Accreditation Criteria, the American College of Surgeons must ensure that anyone in a position to control the content of the educational activity (planners and speakers/authors/discussants/moderators) has disclosed all financial relationships with any ineligible companies held within the last 24 months. Please note that first authors were required to collect and submit disclosure information on behalf of all other authors/contributors, if applicable. For additional information, please visit the ACCME website at www.accme.org.

The ACCME requires ACS to manage any reported conflict and eliminate the potential for bias during the session. Any conflicts noted below have been managed to our satisfaction. The disclosure information is intended to identify any commercial relationships and allow learners to form their own judgments. However, if you perceive a bias during a session, please report it on the evaluation. Source: ACCME

If the speaker's name is not listed, the speaker has nothing to disclose.
