#### **Work Group Project Overview**

The project objective is to analyze the impact of the [FAST recommendations](#) published in 2018 in the context of current progress and activities in the field of firearm injury prevention at both the national and state level. Based on recommendation analysis, the workgroup will identify needed refinements and will propose next steps to Injury Prevention Program Area Leadership.

#### **Expected Responsibilities**

The work group will be tasked to meet monthly/bimonthly through direction of the FAST Recommendation Analysis workgroup lead, conduct individual research, and collaborate on analysis.

#### **Deliverable(s)**

- Proposed next steps informed by analysis of the 2018 FAST recommendations.
