

Application Process and Timeline

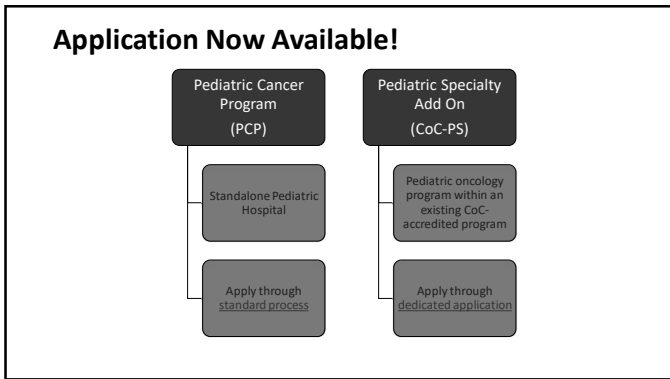

Erin Reuter, JD, MS
Senior Manager, Accreditation

1

Disclosures

Nothing to Disclose

2

3

Eligibility

- Must provide care to children and adolescents under the age of 18 (A site that cares only for adolescents and older is not eligible)
- Must have standards implemented for a full calendar year before site visit
- No minimum caseload
- CoC hospitals participating in a network must apply at the individual hospital level

4

Definition of “pediatric patients” for CoC-PS

As long as the CoC-PS program provides care for young children, CoC-PS programs can define the scope of its pediatric program

5

Site Visits

Intended for the CoC-PS and primary CoC site visit to be conducted together

Site visits will be conducted by a pediatric specialist

6
