CAnswer Forum – Update your E-mail Address and Notification Settings

In order to serve you better we are asking for your help. Recently we have noticed an increase in the number of return e-mails and undeliverable e-mails from CAnswer Forum. In order to make sure you are receiving the information you need, please take a few minutes to verify the accuracy of your e-mail address and your notification settings in CAnswer Forum.
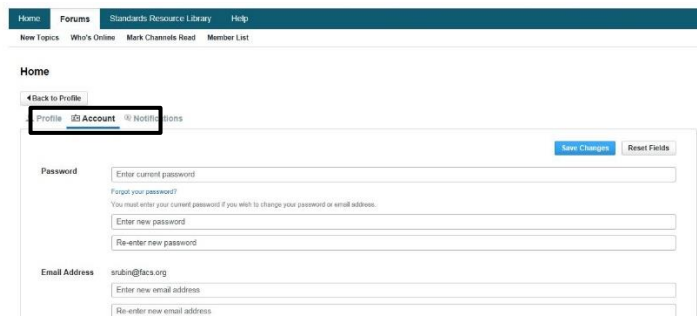

1. Login to CAnswer Forum.

2. Click the downward arrow by your name

3. Click on user settings

4. Click on the tab that says "Account" to review and update your information as needed. Save your changes.

5. Click on the "Notification" tabs view and update your settings. Save your changes.
